CHAIRMAN'S MESSAGE

Dear Students

You are welcome to Indraprastha Institute of Management and Technology (IIMT). We are glad to have you as students of this institution. IIMT is a place which is known for its quality education, knowledge enhancement, learning procedures, and excellent work culture

Our admitted students have an optimistic outlook and channelized energy, which are the most important tools for success. At IIMT, we believe in the all-round development of our students with intellectual growth, and with the well-qualified, dedicated, and experienced faculty who are always committed to guiding students

I am sure whosoever believes in achieving higher learning and excellence in his life will believe in IIMT and will be a part of it. I once again welcome you all and wish you a bright future.

Vision

- To get developed into a center of academic excellence and to promote professional, technical & vocational expertise and research.
- To infuse, in the minds of our students, the urge for basic awareness of today's global exigencies and necessities to place them firmly on the professionally and technically driven platform.

Mission

- To impart quality education to students.
- To create a conducive, multi-disciplinary, vibrant, and inspirational environment for the academic growth and overall development of students.
- To foster academic excellence, and develop elegant communication skills to meet the present-day requirements and needs in this competitive world to keep pace with the national and international contestants.
- To develop critical thinkers and concerned citizens.

(BCA) stands for Bachelor of Computer Applications. It is an undergraduate degree program in the field of computer applications and software development. BCA is designed to provide students with a strong foundation in computer science and its practical applications. The program combines theoretical knowledge with hands-on training to prepare students for careers in the IT industry. Our faculties have to support every student to reach the highest level of academic excellence and personal potential.
